Skills for a secure future

Certified News Editor

Certification Code VS-1057

Vskills certification for News Editor assesses the candidate as per the company's need for news writing and editing. The certification tests the candidates on various areas in writing techniques, news sources, news selection, prioritization, structure, legality, objectivity, interview, documentaries, specialty writing, sports writing, internet and writing for TV or radio.

Why should one take this certification?

This Course is intended for professionals and graduates wanting to excel in their chosen areas. It is also well suited for those who are already working and would like to take certification for further career progression.

Earning Vskills News Editor Certification can help candidate differentiate in today's competitive job market, broaden their employment opportunities by displaying their advanced skills, and result in higher earning potential.

Who will benefit from taking this certification?

Job seekers looking to find employment in news editing departments of various companies, students generally wanting to improve their skill set and make their CV stronger and existing employees looking for a better role can prove their employers the value of their skills through this certification.
