# Certified Intellectual Property Rights and Legal Manager

## Certification Code VS-1080

**Intellectual Property Rights and Legal Manager Certification** allows organizations to identify and protect their intellectual property rights from any misuse and misrepresentation by any individual or organization. For growth and development, all organizations need well-maintained and effective intellectual property protection. Nearly every sector requires intellectual property rights and legal professionals. Vskills provide certification course for those who are seeking career in intellectual property rights that help people with IPR related jobs to perform their tasks better.

### Why should one take this certification?

This Course is intended for professionals and technical graduates seeking career in IPR industry and wanting to excel in chosen areas. It is also well suited for those who are already working and would like to take certification for further career progression. Indian IT industry is moving up the value curve, and today's scenario demands more specialization and that is where a certification of this type will add value. The course is developed with a motive to enhance your skills and helps in building confidence, thus making your job more challenging and rewarding. The certification helps extend intellectual property rights and legal related skills and ultimately achieve proficiency at work.

### Who will benefit from taking this certification?

This course benefits students who wish to make a career in intellectual property rights industry. This course is also beneficial for professionals already working and wants to acquire knowledge in this segment of industry. Students will be ready for jobs from day 1 since this is a high demand skill in intellectual property rights and legal companies. Professionals already in the industry and looking for job switch will also benefit from the certification. The certification is designed to focus on development of employability skills essential for today's It support that inculcate organization and time management, stress management, self-analysis, self-promotion and professional development skills. It provides an opportunity for those who wish to work in an organization as an intellectual property rights and legal professional.
