Certified Interviewing and Hiring Professional

Personal interviews are used by organizations for hiring employees and staff. Interviewing is the most crucial step in the process of employee hiring. Interviewing assists employers in hiring a right person for a right job as hiring the wrong employee can quickly spiral down to a significant financial-hit reduced productivity and cultural degradation

Vskills certification for Interviewing and Hiring assess candidates in various skill areas. In this certification, you will learn the best techniques to hire the best resources for your organization.

Why should one take this certification?

Vskills Certification in Interviewing and Hiring will provide foundational knowledge in the hiring and interviewing process. It focuses on developing an understanding of why effective hiring is key to any organization's success.

Content areas covered in the path include how to screen and review applicants' resumes effectively by using the job description as a guide, and how to prepare well for an interview. The path also describes how to carry out the actual interview, including a behavioural-based interview. Finally, it covers how to evaluate candidates in a structured and objective way.
