

Certified 5S Professional

Vskills Certifications

Vskills Brochure

Certified 5S Professional

5S is a workplace organization method that uses a list of five Japanese words: seiri, seiton, seisō, seiketsu and shitsuke. 5S stands for sort, set in order, shine, standardize and sustain.

Why should one take this certification?

This Course is intended for professionals and graduates wanting to excel in their chosen areas. It is also well suited for those who are already working and would like to take certification for further career progression.

Earning Vskills 5S Professional Certification can help candidate differentiate in today's competitive job market, broaden their employment opportunities by displaying their advanced skills, and result in higher earning potential.

Who will benefit from taking this certification?

Job seekers looking to find employment in quality or reliability departments of various companies, students generally wanting to improve their skill set and make their CV stronger and existing employees looking for a better role can prove their employers the value of their skills through this certification.
