Certified HR Generalist

Vskills Certifications

Skills for a secure future

Certified HR Generalist

A human resources or **HR** generalist is an employee in the **HR** department managing various **HR** responsibilities instead of a specialized line of work which usually includes recruiting, compensation and benefits administration, payroll, compliances and employee relations.

HR generalists act as liaisons between workers, managers and executives in measuring employee engagement.

Vskills certification for **HR** Generalist assesses the candidate as per the company's need for managing the various functions of human resources.

Why should one take HR Generalist Certification?

The certification enhances and showcases your skills and knowledge in various human resources functions. This Course is intended for **HR** professionals and graduates wanting to excel and would like to take certification for further career progression in human resources.

Earning Vskills **HR** Generalist Certification can help candidate differentiate in today's competitive job market, broaden their employment opportunities by displaying their advanced skills, and result in higher earning potential.

The certification covers

- Compensation and Benefits
- Recruitment
- Industrial Relations
- Talent Management
- HR Compliances

Who will benefit from taking HR Generalist Certification?

HR professionals, managers and executives benefit immensely from this certification. Job seekers looking to find employment in human resources departments of various companies, students generally wanting to improve their skill set and make their CV stronger and existing employees looking for a better role can prove their employers the value of their skills through this certification.
